**Request for quotation for Procurement of Video Conferencing System**

The Embassy of India intends to procure a Hardware based Video Conferencing system (VCS) with below given configurations/specifications:

**Specifications of VCS:**

- Supports H.323 and SIP (compatibility with other VC systems from major OEMs)
- End to end encryption (256 bits)
- Firewall Traversal
- Multi party license (Perpetual license for minimum 6 participants)
- Licensed desktop application

2. In this connection, any model of Polycom or Sony or Cisco or any other make VCS that should support all universal video conferencing protocols and hence be interoperable with all such VC platforms including Lifesize, Team, Zoom, Skype, Webex, BlueJeans, etc.

3. Reliable and reputable companies/vendors may send their quotes/proposals/offers in sealed envelope to:

Head of Chancery, Embassy of India, Plot No. 2, Al-Amarat Street No. 1,  
Eastern Extension, Khartoum

**\*\*\*All quotations must be sent by 7<sup>th</sup> March 2021\*\*\***
